ABOUT THIS AIRCRAFT

The Citation Mustang is the aircraft that defined the modern entry-level jet: a genuine Citation, certified for all-weather airline-style operations, built around a comfortable four-seat club cabin.

Simple, proven and economical, it remains one of the best-value ways to fly by private jet on UK and European sectors — flown, as with all our jets, by two type-rated pilots.

TYPICAL MISSIONS

- Best-value jet hops — London to the South of France or the Alps
- Weekend city breaks for two couples
- Short-notice business trips where jet speed beats turboprop economy
